Beautifully different paint

New colours 2026

## Three Bears

---

The goldilocks of colours! Three Bears sits 'just right' between yellow and brown. This golden mustard adds a vibrant yet sophisticated touch to any space.

## Avery's Sky

---

Take flight in Avery's Sky, this delicate blue promotes calmness and focus, making it well suited for home offices, nurseries and bedrooms.

Room orientation:

North

## Poppet

---

Poppet is our lively mint green that lifts the mood of any space. Refreshing yet soothing, it works beautifully with other greens or whites.

Room orientation:

South

## Little Sprout

---

Straight from your garden, Little Sprout is our most versatile green. Its warm yellow undertones create spaces that feel both grounded in nature and thoughtfully modern.

Room orientation:

## Thimble Lane

---

Take a wander down Thimble Lane. A grown up blush pink with a thimbleful of yellow makes for a surprisingly versatile shade.

Room orientation:

North

## Riverbank

---

Riverbank is a high energy green inspired by the lush waterside foliage. It works particularly well with whites, aqua blues and pale yellows.

South

## Oliver Twig

---

Oliver Twig is our olive green with a modern twist. Pair with greys and whites for a charming, classic look that's ideal for living rooms and dining rooms.

## Pale Pip

---

Inspired by an apple core, Pale Pip is a modern alternative to white. Its green undertone adds a fresh, clean feel to all spaces.

## Quick Dip

---

Cool down with a Quick Dip in our most calming blue – the perfect choice for south facing bedrooms and bathrooms.

## Fresh Air

---

A breath of Fresh Air, this easy breezy white with a whisper of blue gives a fresh, airy feel to any room.

Room orientation:

South

## Ragdoll

---

Familiar and comforting, Ragdoll is our super soft sage that feels like a warm hug.
